

The New PortaWiFi by Celcom

Introducing Personal WiFi on the go for your customers

Your customers can now connect to the Internet anytime, anywhere with PortaWiFi! It's simple, all your customers have to do is plug in the in-car charger, tri-pin charger or USB port everywhere they go to enjoy Personal WiFi that can be shared with up to 5 devices. They just have to follow these steps:

Step 1: Plug in PortaWiFi

Step 2: Share the username and password

Step 3: Start surfing on the go!
